**RESPONSE TO ELECTION REQUIREMENT**

This communication is responsive to the Office Action mailed on June 17, 2004, in which all pending claims 1-25 were subject to an Election of Species Requirement. The Office Action stated that the application contains claims directed to 2 patentably distinct species. The Office Action asserted that Species I is drawn to the invention shown in Figures 1-5, and Species II is drawn to the invention shown in Figures 6-8. The Office Action also stated that claim 1 is generic.

Applicants hereby elect to prosecute Species II in this application, which is drawn to the invention shown in Figures 6-8. Applicants submit that pending claims 9, 10-19 and 23-25 read upon Species II. Pending claims 1, 3-8 are generic to all species.

No fee has been included with this response. Should a fee be required, Applicants authorize the Commissioner to charge our Deposit Account No. 06-0029.

Respectfully Submitted,

JAY N. TURKBAS et al.
